**Fantasia, Silicon Studio's leading mobile game, celebrates its  
4<sup>th</sup> anniversary and 8 million download milestone**

**Tokyo, Japan, (June 28, 2016)** – Middleware and game development company, Silicon Studio, is happy to announce that June 28<sup>th</sup> marks the 4<sup>th</sup> anniversary of the release of their worldwide popular mobile game “Fantasia”. The free-to-play mobile title, known for its stunning art and blend of RPG, card-collecting and tower defense gameplay, has enchanted the hearts of players and fantasy fans around the globe. This 4<sup>th</sup> anniversary also marks a large milestone in the game’s history as the number of worldwide downloads has grown to over 8 million.

To celebrate this praise worthy occasion, Silicon Studio is planning a special in-game event with exciting rewards. Silicon Studio would also like to thank loyal the fans who have joined us for 4 years of thrilling action and adventure. Players should check in-game regularly for more news about the in-game festivities.

Available for both Android and iOS devices through DeNA’s popular mobile and social games platform Mobage (<http://mobage.com>), **Fantasia** has wowed gamers across the world with beautiful visuals, brilliant music, and addictive gameplay. **Fantasia** received Mobage’s Game of the Year Award in 2012 for Best Art Style, as created by famed Final Fantasy art director Hideo Minaba. **Fantasia** is available in the US, Japan, Europe, China, South Korea, Taiwan and across the globe.
