From Silicon Studio and MISTWALKER
New game "Terra Battle 2" under joint development
Teaser site, trailer, and social media released

Tokyo, Japan, (June 22, 2017) –Middleware and game development company, Silicon Studio Corporation are excited to announce their joint development with renowned game developer MISTWALKER CORPORATION, to develop the next game in the hit “Terra Battle” series, “Terra Battle 2” for smartphones and PC. The official trailer and social media sites are set to open June 22, 2017.

About Terra Battle 2

The battle gameplay that wowed so many players in the original "Terra Battle" remains, but now it is complimented by a full role-playing game in which every system has evolved to deliver a more deeply enriched story and experience.

The adoption of the dynamic field map allows you direct and travel with your characters throughout the world. Intense emotion abounds from fated encounters, bitter farewells, the joy of glory won, pain and heartbreak, and more heated battles that will have your hands sweating.

Can the people of "Terra" ever uncover the illusive truth of their world?
A spectacular journey is waiting for you.
